

**FREQUENTLY ASKED QUESTIONS ABOUT PAPER/POSTER ABSTRACT  
SUBMISSION:**

**1. What is the deadline to submit?**

The deadline to submit is June 1, 2022, at 5:00 PM Central Standard Time.

There will be a 30-day disclosure grace period (June 1st, 5:01 PM Central Standard Time thru July 1st 5:00 PM Central Standard Time) should your co-authors need to disclose. This grace period applies only to disclosure only. During this time, you cannot make any changes to your abstract application.

**2. Can the abstract have been presented or published elsewhere prior to submitting to AAOS?**

No. Abstracts that have been presented or published at previous meetings or journals will not be considered for presentation. If the abstract has been submitted elsewhere but not yet published or presented it is acceptable.

**3. Do you have to be an Academy member to submit an abstract?**

No. However, at least one author must be an Orthopaedic Surgeon or a Research Scientist.

**4. Does the AAOS accept late breaking abstracts?**

No, the Academy does not allow late breaking abstracts.

**5. I tried to submit an abstract but have not received a confirmation email that it is complete. How do I know if it is complete?**

Once you have completed all the necessary steps and all authors have disclosed you will receive an email message stating that your submission is complete. You can search for your co-authors disclosure by going to [www.aaos.org/disclosure](http://www.aaos.org/disclosure)

You may also sign into the application system to check the statuses of your applications, [www.aaos.org/abstracts](http://www.aaos.org/abstracts)

**6. Where do I go to revise my abstract?**

Go to [www.aaos.org/abstracts](http://www.aaos.org/abstracts) Login and click on the title of your presentation. Changes can be made until June 1<sup>st</sup>, 5:00 PM Central Standard Time. Please note, any additional co-author(s) to your abstract may change the status from “complete” to “incomplete” if the additional co-author(s) have not updated his/her disclosure.

**7. I keep getting an error that says my abstract has too many characters and it won't fit in the text boxes provided. Why am I getting this error?**

The maximum number of characters in an abstract is 5,250. Spaces do not count as characters. **Please note:** For each graphic and table you insert, 300 characters will be removed from the total number of characters available.

**8. Is there a character limit for an abstract submission?**

The maximum number of characters in an abstract is 5,250. Spaces do not count as characters.

**Please note:** For each graphic and table you insert, 300 characters will be removed from the total number of characters available.

**9. What is a Study Group?**

A study group is a group of participants that consists of 10 or more individuals. If your application has 9 or fewer participants, it is not considered a study group. If you have additional authors, not included in the study group, you may list up to 8 additional authors who are not part of the study group.

**10. What is the maximum number of co-authors on an abstract?**

The abstract must have one presenter and can have a maximum of 8 co-authors (9 total).

**11. When will I be notified whether my abstract was accepted?**

By September 26th an email will be sent to all presenters of accepted and rejected abstracts. This email will contain the title and paper or poster application number if it was accepted.

**12. If my abstract is accepted for presentation, will the format I requested change?**

That is a possibility. The Program Committee will determine the final format (paper or poster) of all accepted abstracts regardless of which box you checked when you submitted the abstract.

**13. Once my abstract is accepted, how do I make changes to it or change the presenter?**

You will be able to make changes to the abstract or change the presenter after the abstract is accepted. Instructions will be included with your acceptance letter. **PLEASE NOTE: You cannot add or delete authors after the June 1, 2022 application deadline.**

**14. The purpose of an author's institution.**

The purpose for an individual's institution is to help identify that the submitting author has the correct individual when selecting a co-author. The institution is not shown during the review process or published in any AAOS publications.

**15. Is disclosure mandatory when submitting an abstract?**

Yes, all presenters and co-authors must have disclosed in the AAOS disclosure database as of April 1, 2021, or later. **Disclosure is mandatory for each author listed on the abstract.** You can search their disclosure by going to: [www.aaos.org/disclosure](http://www.aaos.org/disclosure)
